

Best Practice- 1

ICT for effective Teaching- Learning

Objectives: To:

1. Provide access to authentic ICT resources and Virtual "space" for learners.
2. Enhance Student networking

Practice:

- Recorded lectures and live lectures by Faculty
- Use of apps like WhatsApp, Google Classroom, Meet, Zoom.
- Webinars, Examinations by Students and onlineFDPs by Staff

Best Practice II

Internalizing Pedagogical Skills-

Objectives: To:

- prioritize ways to create inclusive environment.
- develop students with voice and leadership

Content Test: is administered Methodology wise.

Mentorship: students are assigned to Mentors

Internship: At different schools

Participation in Events: Pedagogical skills are fine- tuned through mandatory participation in committees and college activities, community outreach activities.

Professional Progression:

- Focused Assignments
- Placement drive

Evidence of Success: Some of our students continue higher education as well as to lateral professionals.

Problems Encountered:

- Diverse Socio-Cultural backgrounds

Resource required:

Academic tutoring
