Dr. S. T. Bhukan
Ex-Dean & Professor,
North Maharashtra University, Jalgaon

Vihaan Educator workshop on Microsoft office 365 products, was organised by Team Digital Vihaan Edtech was highly useful to enhance the quality of education and teaching process. It will help the teachers to develop an interesting and innovative learning and definitely it will help for a significant improvement on learner's performance.

It was highly informative workshop organised by Digital Vihaan Edtech for Teachers and Teachers Educator. Contents of training was highly useful in order to enhance the regular classroom practice and if the learning of this program is utilised in process teaching learning the learning can be facilitated and it could be made interested for learners.

Prof. (Dr.) B. P. Marie
Principal

SPS College of Education, Sangli

Prof. (Dr.) Ashok R. Rane
Dean & Principal
KCES College of Education and
Physical Education, Jalgaon

Training core content for this session since to be very useful for B.Ed. Trainee teachers and for the educators. Digital Vihaan Edtech Trainer's approach and attitude was found very positive and encouraging. Vihaan Educator Workshop will surely help to develop Blended Learning for students.

Dr. Lata S. More
Principal

We got opportunity to conduct Vihaan Educator workshop in our college. Our student and faculties are participated in the workshop for a week and acquired various digital abilities which is very useful in the teaching learning process.
